## CLASS DESCRIPTION

### HI-FIVE FLAG FOOTBALL HI-FIVE SPORTS CLUB METRO

This class is focused on learning the fundamentals and rules of the game to build a good foundation for the children. We will work on skills such as throwing, catching, playing defense, some simple strategies that are essential for playing football. Our coaches will lead the children in drills, to build up their skill level and we will play games at the end of class to reinforce their skills. We will also implement our S.T.E.M in Sport curriculum into the class. Most importantly we will emphasize teamwork, sportsmanship and fun.

### SOCCER CORBIN'S CRUSADERS

Corbin's Crusaders offers sports and athletic pursuits coached by experienced professional men and women. Their job is to help your child take his or her skills to the next level and have a great time while doing it. The focus will be on Soccer.

### SECRET AGENT LAB MAD SCIENCE OF NEW YORK CITY & WESTCHESTER

Step into the shoes of a detective and uncover the science involved in evidence gathering and analysis. You will probe the science of tracking as you stamp out scenarios and uncover codes in this session. Some of the weekly topics in this session include : Crime Lab, Cracking the Case, The Science of Security, Agent Undercover, Sleuths on the Scene, Funky Forensics, Spy Academy, Junior Detectives, Discover Detection and Whodunit?

### CRAYOLA: ARTIST'S PASSPOINT MAD SCIENCE OF NEW YORK CITY & WESTCHESTER

Corbin's Crusaders offers sports and athletic pursuits coached by experienced professional men and women. Their job is to help your child take his or her skills to the next level and have a great time while doing it. The focus will be on Soccer.

### CHESS CLUB CHESS WIZARDS

Enter into the magical and exciting world of chess with Chess Wizards! You will participate in epic chess games, fun and interactive lessons, tournaments, team matches, trivia and more! Our specialized classes are a blast for everyone first through fifth. Whether you have been playing chess for your entire life and want to improve, are brand new to the game, or you just want to have a fun experience with your friends - Chess Wizards is the place for you!

### MOVE IT! MIX IT! GREENWICH DANCE ARTS

With different kinds of dance: hip hop, break dance, creative, improv, Broadway, even some Irish step.

### BASKETBALL CLINIC HI-FIVE SPORTS CLUB METRO

A fun and exciting class where your children will learn the nuances of dribbling, passing, shooting and defense. Our coaches have extensive playing and coaching experience in both high school and college. The children will leave the class knowing the fundamentals and rules of the game. While focusing on the values that basketball teaches such as sportsmanship, teamwork, and hard work. All while having fun and enjoying the game.

### FLOOR HOCKEY CORBIN'S CRUSADERS

Embark on an around-the-world cultural adventure – explore far-off places and learn about the people who live there, from the Americas to Polynesia, from the cosmopolitan to the countryside. Experiment with Crayola® products, while trying art techniques developed by local artists and artisans. Make different masterpieces each week such as drums, masks, canvases, prints, buses, and more! Bring the unique creations home and build a globally-inspired art gallery.

Camps, care, and enrichment programs designed to educate, entertain, and engage students.

## CLASS DESCRIPTION

### WINTER ARTS & CRAFTS MS. DRACE

Winter Arts & Crafts: This club is chock full of fun and creative activities. Be inspired by the festive season of Winter as we design works of art influenced by this special time of year and the holidays. We will be exploring various forms of expression. Activities will include painting, drawing, and design projects. Bring your enthusiasm and get ready for some fun!

### LITTLE MUSICIANS MAKEINSPIRES EDUCATION

K-2 students will learn about the science of sound and variations of music. They will be introduced to the history and forms of music, its origins and sounds. Through games and hands-on activities, students will learn how to conduct their own music, write songs, and identify differences in pitch. They will practice on a variety of instruments they create and form a band with their classmates.

### COMPUTER GAMES GALORE MS. DRACE

If you like playing fun games on the computer this is the club for you. Each week we will be exploring new functions and websites for loads of cyber-safe fun! The games will be artistic by design, logic-provoking, engineering-based, strategy fun, racing against the clock games and so much more.

### MUSICAL THEATER MESSAGE IN MOTION

Students will learn the meaning of a triple threat performer in this class that introduces the main components of musical theatre including voice, acting, basic music theory, and dance technique (typically musical theatre jazz/broadway style and/or hip hop.) Learn choreography and staging basics while utilizing props, role playing, and imagination to aid in personal expression and creativity! Students will learn and collaborate on mini musical routines from both old school Broadway shows like Cat and Mary Poppins, to more contemporary productions and shows like Hamilton, Annie, Lion King, and more! Students will showcase what they have learned at an end of session informal in class parent show! What to wear: Comfy clothing, (easy to move around in), with sneakers and socks. Preferably no khakis, dresses, skirts, or jeans on class days. Hair pulled back.

### BASIC CARTOONING MS. DRACE

Participants will express their creativity by sketching and drawing cartoons and comic strips. Children will learn through step-by-step instruction, free expression, and teacher tips. Students will incorporate new techniques, strategies, and methods to bring their art to life. This class is designed to give students the tools they need to feel confident to take chances and build upon their skills.

### THE JOY OF PAINTING MS. GOODMAN

In the style of Bob Ross, each week we will be following step by step instruction for the Joy of Painting! Using acrylic paints and watercolor paints we will create frame worthy paintings each week on canvas and paper. Find your love for the arts and allow your child to create their own masterpieces!

### HARRY POTTER CLUB MS. GOODMAN

Welcome to the wizardly world of Harry Potter! Each week we will dive into a world of magic creating spellbooks, magic wands, floating magic candles, mystical potions, potted plants in herbology, ghoulish slime and banners for your house of choice! Come join in the fun if you "solemnly swear to be up to some good"!

### HAND SEWING WITH SEW FUN 4 KIDS MS. TANSLEY\_JERVIS AND SEW FUN 4 KIDS

"In this class your child will learn the basics of hand sewing, including how to sew a button on, how to thread a needle, some basic hand stitches and will complete 4 projects that will be their own creation. Using felt fabric and embroidery thread, they will be sewing an animal key chain, Halloween softie, a personalized hand embroidered pillow and a Monster Doll. They will be able to take home their project upon completion and be proud of what they have made! "Project 1- Felt emoji book mark Project 2- Valentine heart ornament Project 3 -Felt perse ( for girls)or wallet( for boys) Project 4-Spring softie " All projects are suitable for beginners and both boys and girls."

Camps, care, and enrichment programs designed to educate, entertain, and engage students.

## CLASS DESCRIPTION

### LITTLE BUILDERS I & II SPARK BUSINESS ACADEMY

Little Builders challenges students to build models of bridges, planes, boats and more. In each class, students learn about new building materials, such as cardboard, Legos, up-cycling materials and how to creatively construct their projects using design based thinking. How much weight can your boat hold before sinking? How tall can your building grow? Inspire, learn and create with this hands-on STEAM class! Part II introduces more advanced challenges.

### LITTLE INVENTORS SPARK BUSINESS ACADEMY

Are you ready to innovate? Get your creative juices flowing in this project based program, where you will identify the need for an invention, think on your feet, and create real structures and solutions. Students also learn about famous inventors and internalize how recent innovations improve our lives.

### SPANISH IMMERSION PROGRAM SPANISH 4 KIDS

SPANISH IMMERSION PROGRAM Focus: Vocabulary and pronunciation. The students will be immersed in the new language through fun games, songs, and engaging activities. This course will be a continuation and an introduction to welcome both new and returning students.

### PAINT YOUR OWN POTTERY: STORY TIME MADE: MY ART + DESIGN EXPERIENCE

In this "paint a story" class, an instructor will read a book and students will paint a pottery project based on topic of the book! One new project per student each week, with beautiful fired pieces returned in 1-2 weeks. Class hosted by MADE: my art + design experience.

### MUSICSTART® KEYBOARDING: "LEARN TO READ MUSIC AND PLAY TUNES!" THE MUSIC PATH

MusicStart® is a patented progressive music learning system that balances fun and development of skills. Using familiar songs, it teaches all the necessary basics to get started playing music. The MusicStart® Keyboard is especially designed for learning. It uses 4 instructive Attachments that vary the challenge from color matching to letter matching to note matching and reading standard musical notation. MusicStart® is preparation for (or a supplement to) playing any instrument and teaches step-by-step problem solving. All materials are provided. Both new and returning students will be appropriately challenged.

### WINTER WONDERLAND ENGINEERING WITH LEGO® MATERIALS PLAY-WELL TEKNOLOGIES

Bundle up, we're creating a spectacular Winter Wonderland! Build bobsleds, design snowplows, and take a ride on the Polar Express. Explore your snowiest ideas and learn STEM concepts with tens of thousands of LEGO® pieces at your mitten-tips and the guidance of an experienced Play-Well instructor.
