

January 2022

Dear Rye Neck Parents,

The Rye Neck PTSA has contributed to the enrichment of students' educational experiences at the Rye Neck schools. This would not be possible without the generous amount of time and effort given by the many volunteers in our community. For this to continue, we need your support!

There are many exciting positions available for the 2022-2023 school year. There are opportunities to fit everyone's needs, whether you have small children, are a working parent, or have a busy schedule. In addition to Executive Committee (elected officer) positions, there are several PTSA Committee Head positions available. Attached is a description of each position that is open.

If you have already expressed an interest in any of these positions, you still MUST complete the attached nomination form and return it to the PTSA Nominating Committee.

Remember that by volunteering, you will have the satisfaction of helping children during an important stage of their development. It is a great way to meet others in the school community, interact with teachers and administrators, and give back something to your school community.

All forms must be returned by Friday, February 11th, 2022.

For more information, please contact a member of the Nominating Committee:

PTSA NOMINATING COMMITTEE
