## CLASS DESCRIPTION

### **HI-FIVE FLAG FOOTBALL** HI-FIVE SPORTS CLUB METRO

This class is focused on improving the children's skill level and taking their game to the "next level" We will work on the basic fundamentals like throwing, catching etc. We will also focus on game strategies, like running pass patterns, and how to think the game while playing it. All sessions will involve improving skills through drills as well as game time. We will also implement our S.T.E.M in Sport curriculum into the class. Most importantly we will emphasize teamwork, sportsmanship and fun.

### **CLAY SCULPTING WITH POLYMER CLAY** AN INSPIRED EMPTY VESSEL

Make your own favorite toys, foods and animals with colorful polymer clay. We will learn the basics by making a penguin, owl, finger puppet, turtle, and jack o'lantern or round emoji. Then with your new knowledge and experience you'll be able to make whatever you want! Work from one of the many samples available, pictures, or your imagination! All projects will be cooked in Ms Baehr's studio.

### **SECRET AGENT LAB** MAD SCIENCE OF NEW YORK CITY & WESTCHESTER

Step into the shoes of a detective and uncover the science involved in evidence gathering and analysis. You will probe the science of tracking as you stamp out scenarios and uncover codes in this session. Some of the weekly topics in this session include : Crime Lab, Cracking the Case, The Science of Security, Agent Undercover, Sleuths on the Scene, Funky Forensics, Spy Academy, Junior Detectives, Discover Detection and Whodunit?

## CLASS DESCRIPTION

### **HIP HOP** MESSAGE IN MOTION

Does your child love to dance in the car or attempt break dancing in the kitchen? Then this might be the class for them! In this high energy hip hop dance class, students will learn the fundamentals of this increasingly popular dance form including break dancing, popping and locking, freezes, as well as iconic hip hop movements including the cabbage patch, the wave, the snake, and more! Class emphasizes rhythm and style, personal expression, choreography, basic strengthening and conditioning, and having fun! Class culminates with an informal end of session in class parent show! What to wear: Comfy clothing, (easy to move around in), with sneakers and socks. Preferably no khakis, dresses, skirts, or jeans on dance days. Hair pulled back.

### **MINECRAFT EDUCATION** MAKEINSPIRES EDUCATION

This is not your Minecraft available at home! Students will explore aspects of Minecraft Education, a special version of Minecraft built for learning about computer logic, coding, chemistry, teamwork and more! Students Code "Agents," little minions, that assist them with collecting and building, but only if coded correctly! Ever increasing challenges and quests are bestowed upon the students, growing problem solving skills, patience and teamwork!

### **BUDDING ENTREPRENEURS** SPARK BUSINESS ACADEMY

If you love Shark Tank, this empowering program is for you! Join other intrepid students and develop a business plan for your own business idea. You will learn to take risks and persevere, while making business-like decisions about strategy, marketing and finance (optional activities include building a website and designing business cards). Students build confidence "learning by doing" and make their pitch presentations on the last day!

### **HEDGEHOG HOUSE** SEW HAPPY

Have fun learning how to sew with Sew Happy! The winter project is our adorable Hedgehog House. Students will construct a square double sided basket which is decorated with trees and woodland flora and fauna on the outside but becomes the cozy home of a hedgehog family on the inside complete with a hedgehog stuffie and keychain. A decorative carrying handle makes the project transportable. Kids in grades 1 thru' 5 will learn how to thread a needle, tie a knot, pin, and stitch with our trained instructor. Beginners are welcome at this class and experienced sewers will love working on a new project.

### **CRAYOLA: ARTIST'S PASSPOINT** MAD SCIENCE OF NEW YORK CITY & WESTCHESTER

Embark on an around-the-world cultural adventure – explore far-off places and learn about the people who live there, from the Americas to Polynesia, from the cosmopolitan to the countryside. Experiment with Crayola® products, while trying art techniques developed by local artists and artisans. Make different masterpieces each week such as drums, masks, canvases, prints, buses, and more! Bring the unique creations home and build a globally-inspired art gallery.

### **SPANISH IMMERSION PROGRAM** SPANISH 4 KIDS

**SPANISH IMMERSION PROGRAM** Focus: Vocabulary and pronunciation. The students will be immersed in the new language through fun games, songs, and engaging activities.

### **WRITTEN OUT LOUD** WRITTEN OUT LOUD

Your child can co-author a published book this fall! Pioneered as a Yale seminar and developed by Hollywood professionals, Written Out Loud's unique small-group, out loud methodology transforms kids who love books, movies, and even video games into joyful writers. This revolutionary program has even been shown to help raise kids' state testing scores. Featured on Good Morning America!
